Day 2: 08:00-11:00

Day 1: 13:00-14:55 | Day 2: 09:00-12:00

Dear Doctors,

We are delighted to extend an invitation on behalf of Ipsen to join us at the **9th Asia-Pacific 3i Vision symposium**. This esteemed event serves as a scientific initiative dedicated to Prostate Cancer, driven by a shared vision to enhance the care and treatment of patients. The symposium serves as a platform for clinicians to stay informed about the latest advancements and foster meaningful discussions with international experts.

The key focus of the scientific sessions during the 3i Vision symposium includes:

- **Identification** of patient profiles through appropriate risk stratification.
- **Individualization** of treatment strategies according to patients' needs.
- **Improvement** of patient support by creating effective physician-patient management.
